The Lethbridge & District Humane Society is a registered not for profit organization that began over 40 years ago with a handful of volunteers helping abandoned animals from their own homes.

After years of hardwork, fundraising and donations from the public they were able to build their current facility at 2920 16th Avenue North in Lethbridge which is home for up to 40 cats and 10 dogs at any given time. They are a no kill animal rescue that works with both dogs and cats. The society is primarily volunteer run, receiving their only funding through donations and fundraising. The main objective of the Lethbridge & District Humane Society is to find permanent homes for those who have no voice and no choice.
